APPLICANTS' SUMMARY OF EXAMINER INTERVIEW

On July 7, 2009, Applicants' attorney, Jeremy D. Protas (Reg. No. 61,681) conducted a telephonic interview with Examiner Hartman (collectively, "the parties"). The parties discussed the finality of the pending Office Action and the clarity of the original and pending rejections with respect to the dependent claims. Examiner Hartman graciously agreed to re-open prosecution in view of the accompanying request and remarks. Applicants thank the Examiner for granting the after-final interview.
